VACCINES FOR CHILDREN (VFC) PROGRAM UPDATE

**Flu vaccines have arrived just in time
for the respiratory season!**

Vaccine Details

- Vaccine Brand: Flucelvax
- Eligibility: Available for children 6 months of age and older

Dosing Schedule

- New to the flu vaccine? Children receiving the flu vaccine for the first time will need 2 doses, given at least 4 weeks apart.
- Previously vaccinated? Children who have received a flu vaccine in the past only require 1 dose this season.
